Dear Senator McManus and Representative Lahti:

Pursuant to Section 1101, PA 252 of 2008, the Department of Natural Resources is required to report on amounts appropriated based on federal pass-through funds received in excess of the original amount appropriated for Grants to communities – federal oil, gas, and timber payments, where additional state matching funds are not required. For Fiscal Year 2007-2008, \$172,084 of additional authority was provided to the Grants to communities – federal oil, gas, and timber payments line item, based on mineral revenue received in excess of the original amount appropriated. The additional authority was provided pursuant to Section 1101, PA 122 of 2007.

If you have any questions, please feel free to contact me.

Sincerely,

Sharon M. Schafer, Chief
